Subject: For Mindy & Carrie review: Revised draft 404(g) Intro and Background Section
Attachments: Intro and Background Draft_clean.docx

Mindy and Carrie-

Attached for your review is a revised draft intro and background section. There are a few remaining questions as you'll see, but Kathy and I thought you could proceed with your review. The section on impacts on existing programs will come later (I'm working on that section). This version includes some additional language on the FACA subcommittee and responds to edits and questions and comments previous drafts.

Thanks to Rose again for her work on this section.

Thanks!
Ruth
